

## Challenge Name : Simple WebApp.

Description : After facing challenges, I successfully developed a web application. However, I'm uncertain why I opted to host it on Linux

Flag Format : flag{....}

Author : Samarth Kamble

Steps to solve :

A screenshot of a web application interface for a challenge. It features a white rectangular box centered on a light gray background. Inside the box, the title "Welcome to the Simple WebApp Challenge" is displayed in a bold, dark blue font. Below the title, the text "Enter a Name:" is shown in a standard black font. Underneath this text is a long, thin rectangular input field with a black border, containing the text "Samarth". Centered below the input field is a green rectangular button with the word "Submit" written in white text.

**Welcome to the Simple WebApp Challenge**

Hello, Samarth. I believe you are enjoying our CTF. Wish you all the best for further challenges!

```
63     font-size: 18px;
64     text-align: center;
65     color: #333;
66 }
67 </style>
68 </head>
69 <body>
70 <div class="container">
71     <h1>Welcome to the Simple WebApp Challenge</h1>
72     <form action="" method="post">
73         <label for="command">Enter a Name:</label>
74         <input type="text" id="command" name="command" required>
75         <input type="submit" value="Submit">
76     </form>
77
78     <div class="result">
79         </div>
80 </div>
81 </body>
82 </html>
83
```

## Welcome to the Simple WebApp Challenge

Submit

Inspiring, this command is quite common, but it doesn't seem to do the work here.

## Welcome to the Simple WebApp Challenge

Enter a Name:

Submit

You're nearing completion of the challenge, which is awesome!
